ANOTHER BAD ACCIDENT TO WOMAN IN AUTO

Machine Collides With Tree Near Madrone Vineyards Wednesday Night.

An automobile being driven by J. Uhrig from Occidental to Vallejo and having as the only other passenger, Uhrig's wife, collided with an oak tree near the entrance to Madrone Vineyards Wednesday night and badly injured Mrs.. Uhrig. The woman was thrown through the windshield and her nose almost severed from her face. Uhrig was unhurt. They were enroute to Vallejo.

In making the turn from the vineyard road on to the county road, the driver miscalculated and as a result swung right into the tree, putting a big dent in his car, the forward portion of which almost straddled the tree trunk.

Dr. Hays was summoned and had the unfortunate victim of the accident conveyed to a local sanitarium where it took many stitches to close the gaping wounds in her face and care for the serious injury to her nose.

Uhrig has had other trouble while motoring through Sonoma Valley, once his machine having broken down near Vineburg and a barrel of wine found therein led to his detention by enforcement officers. Another time he ran into the arms of the law near the Baccala corner. He has relatives near Occidental where he often visits and frequently passes through here.

The infant son of Mr. and Mrs. Clem Cornelius (Bertha Keechler) passed away this week and the tiny form was laid to rest here yesterday morning.

There will be mass at Glen Ellen tomorrow at 10:00 a .m. with a visiting priest for the services.

WANT COMMISSION ON REYNOLDS RANCH

A complaint has been filed in the superior court by the real estate firm of Hawley and Nathanson, composed of Rufus W. Hawley and J. C. Nathanson of Santa Rosa, against J. W. Warboys.

Judgment is asked in the sum of $1,375 as commission on the sale of a tract of land of 1,040 acres near Kenwood known as the "Old Reynolds Ranch."

The plaintiffs state that they entered into an agreement with Warboys on January 8, 1917, whereby they were to receive five per cent as commission for selling the Reynolds ranch, the sale price to be $30,000.

The sale was made to the State of California on November 1, 1919, the purchase price being $27,500, the commission not having as yet been paid, according to the complaint.

The tract was purchased by the State principally for its water system for the Sonoma State Home at Eldridge.

2:00 p. m. All Star Boxing, Union Hall.

This promises to be one of the biggest holiday week ends in the history of Sonoma Valley. Every resort has reservation to its utmost capacity and everyone is to entertain a house full of relatives and friends. The celebration festivities in Sonoma begin today on our historic plaza where gayly striped tents and booths now house the big Curtis and Krogman attractions, and a well patronized merry-go-round and Ferris wheel proclaim the carnival spirit. The local concessions including the refreshment stands, fortune telling booth, playground and country store of the Womans Club and the '49 camp of the American Legion are in readiness for the crowds.

The country store will sell real farm produce contributed by the Sonoma Farm Center and many other things useful and ornamental. The refreshment booth includes a delicatessen where home cooked foods may be bought beginning this afternoon. An orchestra will play for dancing in the city hall.

To-night at the Don Theatre Meryl Bish assisted by talented comedians and girls will put on a skit and costumed musical acts. The show starts at 7:30.

The Fourth of July ball is scheduled for to-night also and is to be a serpentine feature dance with many novelties and a five piece jazz orchestra to enliven the rest of the big time. Fine "eats" will be served by the Womans club committees.

Sunday, July 4th will be ushered in with open air Mass at the old Mission to be celebrated by Rev. J. F. Byrne. This will be a most impressive service and will attract visitors for miles around.

The carnival and its attractions will provide ample entertainment until 1 o'clock when the parade will form on west Napa St.

The order of March will be as follows:

Grand Marshal J. H. Weise and aides, Vallejo Brass Band, Valley of the Moon Post American Legion in uniform, committees, Speaker of the Day in auto, Goddess of Liberty Float, other Floats, Special features, Organizations, Decorated automobiles Decorated Vehicles, etc.

The grand marshal, smiling Harry Weise, our supervisor, will be in full regalia and ride a spirited horse.

Miss Norma Hansen, Sonoma's pretty goddess of Liberty will occupy the principal place on the fine float designed by Chairman Chas. La Torres of the parade committee.

California impersonated by dark eyed, Emily Batto, in a beautiful costume of poppy shades will also have a prominent place on the float with forty and more young ladies all in white, representing the states of the union.

The parade will move from west Napa St. to First St. West, north to Spain St, around plaza to Broadway, thence to High school grounds and counter march. The speakers stand has been erected on the north east corner of the plaza near the city hall, and here the literary exercises will be held.

Hon. Thos. P. Boyd of San Rafael will give the oration; the Declaration of Independence will be read by J. F. Prestwood and there will be patriotic selections by the band.

Sunday evening there is to be a big bill of vaudeville at the Don Theatre, with a funny skit by Ring and Taylor and musical numbers followed by a 6 reel feature picture.

The all star boxing will be the drawing card Monday afternoon. The seat sale has been lively and the classy events will take place at 2 o'clock sharp in Union Hall. Some of the best boxers on the coast will appear here.

Additional contributions to celebration fund, L. F. Nieman $7.50; M. Leixner, 2.50; Geo. Breitenbach, 2.50; Jep Valente, 2.50. In addition 2.50; Jep Valente, 2.50; Lutgens, 5.00 In addition, most of the local merchants have contributed merchandise for prizes and the sale at the country store in the plaza.

BOXING HERE ON JULY 5th WILL FEATURE SOME GOOD ONES

To-day will be the last day of training for the boxers who will copete in the boxing contests on July 5th. They are all in the best of condition and are anxiously waiting for the gong to start their fights. The fur will certainly fly when they start.

The Sonoma boxing fans will see some of the best baxing talent on the coast. Frankie Smith, who is billed to box Johnny Biddie, has fought and beaten some of the best men in the country. He has beaten such men as Willie Hoppe, One Round Hogan, Lew Powell and numerous Eastern boxers.

In meeting Larry Jones, Joe White is fighting one of the classiest boys on the coast. This should be the fastest bout of the afternoon.

Bobbie Koster and Jackie Moore, the two best 105 pounders on the coast have met twice before and each holds a decision. This will be the deciding bout. Watch them go!

Harry Jones, who won his last two fights via the knockout route will meet Kid Baggie. Baggie is a very clever boxer and Jones is a puncher, so this should make a very interesting fight.

Buck Perry of Sonoma will probably box Tommy Farrell of El Verano. Much interest is being centered on this bout, as each has quite a following.

Morris Levy will referee all contests.

Mr. and Mrs. Clarence Cheney of San Francisco left for Nevada and Lake Tahoe points of interest with Mr. and Mrs. Chas. Cheney this week. This auto trip will be the first vacation Clarence Cheney has taken in ten years. He is in the shoe business in San Francisco. Both Clarence and Chas. Cheney are sons of exJudge Cheney, Sonoma's pioneer resident.

Mr. and Mrs. Sidney Blanc of Chicago are visiting Mr. Blanc's relatives Mr. and Mrs. Chas. Nivet while on a tour of the Pacific coast. Mr. Blanc is one of the attorneys of the Burlington railway line.

CHARLES NAUMAN IS KILLED BY A TRUCK

Aged San Francisco Merchant, Brother of Mrs. R. A. Poppe, Meets Tragic Death.

Charles Nauman, pioneer commission merchant of San Francisco, and a brother of Mrs. Robt. Poppe of this place, was run down and killed by an auto truck in San Francisco Tuesday. He was father of Clarence Nauman and Howard Nauman, both well known here, the former being a son-in-law of Mrs. Amelia Bates.

Deceased had conducted a commission business in the metropolis for sixty years, his store in the down town district having been the scene of the wreck of the Niadie in the days when the water came up to the heart of what is now the business district of San Francisco. From the time he was fifteen years of age Nauman was a familiar figure in the business life of the city and he accumulated much wealth and had a splendid business in which he was still actively engaged at the time of his death.

He was associated in the business with his son, Clarence Nauman.

Upon hearing the tragic news of the accident, Mrs. Robt. Poppe and daughter went to San Francisco, a H. F. Bates drove to Camp Meeke for Mrs. Clarence Nauman and family who were there for the summer.

It appears that the victim of the accident was quite hard of hearing, and failed to hear or see the truck hich ran him down.

Nauman left a widow besides his two sons. He had been married to his second wife just about a year.

MRS. CLARA BALDWIN OF ELDRIDGE SUFFERS HURT

While traveling downward on a Yosemite trail that is safe only for traveling upward, Mrs. Clara Baldwin of Eldridge slipped and fell several feet, almost faling into the rapids below Vernal Falls on the Mist trail, and injured herself severely.

Mrs. Baldwin is a sister of Mrs. Julia King, an aunt of Miss Clara King of this city, and also a sister of W. T. Suttenfield, business manager of the Sonoma State Home.

Miss King and her mother are at home again, and brought news of the accident. Miss King also experienced misfortune, losing her purse in San Rafael.

HURLED AGAINST POLE IN AUTO ACCIDENT

Sebastopol Woman Frightfully Mutilated at Baccala Corner.

Mrs. M. F. Brown of Sebastopol was badly injured in an automobile accident at the Baccala corner here Sunday when the Jordan car her husband was driving swerved and hit a telephone pole with terrific impact. The car was a complete wreck and Mrs. Brown suffered a fractured jaw, broken nose, and deep lacerations, her entire face being badly disfigured by glass and splintered wood. The unfortunate woman was hurried to the office of Dr. A. M. Thomson, who dressed her injuries and she was later taken to her home in Sebastopol. Her husband was unhurt as were other members of the party.

The car in which the Browns were enroute to Sacramento was a new one and it is believed that the driver was unaccustomed to handling it on sharp curves.

As a result of the latest accident at the dangerous corner near the El Verano bridge renewed effort is being made to eliminate the curve and bring the new highway across the Baccala property at the intersection of Spain Street.

Mr. and Mrs. Milton Bernard motored up from Alameda last Thursday to attend the graduating exercises. Marie the eldest daughter of the J. L. Bernards' accompanied them back on Friday on a three weeks' visit to her relatives in San Francisco and the bay districts. They motored by way of Sacramento where Mr. Bernard has extensive holdings on the river where hundreds of acres are planted to fruit, beans and potatoes. Five tractors are used in doing the work, besides many teams used in cultivation and irrigation. Some of Mr. Bernard's stock was purchased from the London ranch last year.

DAVE SCHIECK'S WIFE SUES FOR DIVORCE

Suit is Aftermath of Tragic Shooting at Ranch in Which An Alleged Affinity Figured.

Mrs. Jessie Belle Schieck has filed suit for divorce from David Schieck, the Bennett Valley rancher who was mysteriously shot and nearly killed at his home several months ago.

Mrs. Schieck charges cruelty, in that during the preliminary hearing of George Buzzine, who was accused of the shooting, she claims her husband testified that she ncouraged Buzzine's attentions.

Mrs. Schieck is about 30 years old and her husband about 55.

During the critical period after the shooting, in which Schieck's life hung in the balance, Mrs. Schieck was at his bedside much of the time and helped take care of him. Some weeks later, after the rancher's face had been partly rebuilt and he had recovered, Buzzine was taken before Justice Vaughan for a preliminary hearing to a charge of having done the shooting. It was at that time, according to Mrs. Schieck, that her husband linked her name with that of Buzzine.

The accused man was acquitted by a jury and the husband and wife separated, Schieck to return to his ranch in Bennett Valley and Mrs. Schieck to live in Santa Rosa.

The couple have two children, both boys, who are about six and nine years old respectively.

Mr. Schieck has been a roadmaster under Supervisor Weise for several years past.

Dr. and Mrs. Ordahl of the State Home were among those from Sonoma Valley who visited the Democratic National Convention sessions.

Dr. and Mrs. Thurlow of Eldridge who have a cottage at Bodega bay have been entertaining a number of friends at pleasant week end parties.

HURRAH for the Fourth of July. Our peerless America will always lead the world and intuitively and by experience we know that those who dwell within the great United States are the most fortunate people of the earth. Let us each and everyone appreciate the blessings we enjoy and seek to perpetuate the principles of the great nation whose flag we love and whose name we revere.

CREATED A COMMISSION FOR BENEFIT OF CORPORATIONS

The people are used to being hoodwinked but when the blinders are shoved on them by a spell binder and money taken right out of their pockets to pay a commission of fat politicians, in order that they may serve as protectors against the greedy corporations, and they wake up to find the commission is serving the corporations, wouldn't it make the elecorate of any state kick like a government mule. We are here to say that it is their right to holler, stop thief, and unmask the villian, who put it over on them. But we are ahead of our story—the cause of all our excitement is just this—California has a railroad commission, created by Hiram Johnson to protect the dear people and save them money. The railroad Commission was created and the people are paying fat salaries to maintain it and now from the lips of one of the big chief commissioners we learn that the California Railroad Commission's function today is to make liberal rates for the public service corporations so that they can pay higher interest and make more money.

We believe that in many cases the corporations should have better returns, but not at the hands of the Johnson created Commission which was to keep rates down and help the underdog up.

Here is President Edengton's acknowledgment of what Hiram's Commission is in sympathy with:

"A very long step in the direction of stabilized public utility securities would be taken if a reasonable issue of stocks and bonds could be agreed upon, and recognized by the regulating authorities and thereafter rates fixed to obtain interest on the bonds and dividends on the stock and to carry over periods of sudden and unexpected increases in operating expenses resulting in fluctuating net revenues, the setting up of a cash reserve held rigidly for the purpose of paying bond interest and which would act as a reserve to be drawn upon to pay bond interest, and dividends when net revenue temporarily was not sufficient, and to build up against as net revenue increased above the demands for bond interest and dividends, thus having at all times actual cash as in assurance of payment to the creditors and returns to the owners.

"If, in addition to all this, rewards for efficiency of operation were accorded to the company, so that an incentive would constantly be present toward progress in the production and delivery of service, it seems to me that we would have approached a condition where our public utility companies wwould be placed in a status where all necessary money would be available and the need for intensive regulation would be minimized.

"Such a clean-cut endorsement of this doctrine, for which the public utilities of this State have been striving ever since the Railroad Commission was organized in 1912, will occasion surprise to a number of persons who have not kept track of the recent decisions of the commission, enunciating a liberal policy with regard to rates.

"In the following paragraph, President Edgerton emphasizes the stand he has taken and pays his respects to those who are constantly urging that rates be reduced:

"So true is this that the public ought not merely to agree that adequate revenues be produced out of rates to maintain the credit of the companies, but it should affirmatively insist that this be so and instead of listening with sympathy to the demagogues who attempt to persuade the public that its best interest lies along the line of attack on these institutions, it should cry, down these demagogues as public enemies."

SONOMA CONSIDERING ASPHALTIC CONCRETE PAVEMENT FOR STREETS

The City of Sonoma is to advertise for bids on both cement concrete and asphaltic concrete and the $5400 voted recently will be expended as thought best from the standpoint of a durable wearing surface. From letters received on the merits of asphaltic concrete and from the observation of a committee sent to Kings county to observe the pavement there, it appears that asphaltic concreta finds favor with the City Board of Trustees.

Kings county put down 103 miles of this road in 1916 and it has given splendid satisfaction. Selma, Turlock, Oroville and Palo Alto have this type of pavement also. Here is what the mayor of Selma says of asphalt concrete:

During Nineteen Hundred and Twelve, nine blocks comprising the main streets of the City of Selma were paved with 4 inches of Asphalt Concrete. This pavement has been subjected to the heavy traffic of wagons and Auto trucks and today after 8 years of use, has a good even surface and is in splendid condition. No maintenance of any sort has been necessary.

These streets are a source of pride to the community and we believe asphalt concrete to be the most practical type of pavement for city streets and highways, due to its long wearing qualities and low maintenance.

Signed: Luther Jones
Mayor of the City of Selma

In Palo Alto in 1910 28,830 sq. yds. of asphaltic concrete was laid at a cost of $51,302. The total repairs since then has amounted to less than $50. The pavement is smooth and in excellent state of preservation.

It is believed that Sonoma will be able to lay this type of pavement.

MAN WHO STABBED STOCKWELL RESTORED TO CITIZENSHIP

FAIRFIELD, Solano county, June 28.—Judge W. T. O'Donnell ordered the probation terminated, discharged the defendaat and dismissed the information in the case of Geo. Roberts.

Roberts, in the month of July 1912, stabbed to death Bert Stockwell and pleaded guilty to the charge of murder. He was sentenced to life imprisonment in San Quentin.

In 1919, Geo. D. Collins, attorney of San Francisco, while incarcerated in the same prison, through his son, Geo. Collins, Jr., moved for the release of Roberts on probation.

Roberts presented facts to the court to show that he pleaded guilty while in an unstable frame of mind and upon the advice of irresponsible persons. Joseph M. Raines, district attorney at that time, reported favorably to the court on Roberts' motion, stating there were mitigating circumstances which might be taken into consideration by the court.

Roberts was thereupon allowed to change his plea to not guilty, and to request probation, which motion was granted.

FORECLOSURE ASKED ON SONOMA PROPERTY

The Sonoma Valley Bank filed a complaint against Henry Hansen, George Malchow and others yesterday for foreclosure of a mortgage on a piece of property on the former Pueblo of Sonoma. The complaint alleges that the two men signed a promissory not for $1,675 in July, 1915, and gave the mortgage as security.

An action to foreclose a mortgage on a piece of property at Verano, in order to satisfy a $7000 promissory note, was filed in the superior court Monday by P. H. Mc Evoy, of Menlo Park, San Mateo county, against Mr. and Mrs. A. F. Dailey of Boyes Springs and others.

The complaint declares that the Daileys signed the note in February 1920, and gave the mortgage to be used as security unless the money was returned in four months. None of the $7000 has been paid, according to the suit.

ATTENDED DEMOCRATIC NATIONAL CONVENTION

Mr. and Mrs. W. L. Murphy represented the Index-Tribune at the Democratic National Convention session in San Francisco Wednesday, which was the big day of nominations.

It was a never to be forgotten scene of intense interest as the delegates rallied to their leaders and the vast crowds in the auditorium joined in the various demonstrations to the music of bands, waving banners, and the cheering of yell leaders.

The MacAdoo demonstration was remarkable as was also that for Cox of Ohio, Attorney General Palmer, and Governor Smith of New York. Last but not least came the nomination of Governor Edwards of New Jersey, and the unqualified stand of that state on the unAmericanism of the Eighteenth Amendment.

Women were conspicious in the seconding of nominations and did themselves proud in splendid speeches.

The session convened at 11 o'clock in the morning and ran straight through with all its thrills and excitement until 7 p. m.

The Index-Tribune representatives remained until the convention's adjournment hour and motored home later, arriving in Sonoma after midnight.

SONOMA COUNTY WINE WILL BE ASSESSED

Acting upon an opinion just rendered by Attorney General U. S. Webb County Assessor J. C. Hoke Smith will assess the wine now in the wineries and vaults in Sonoma county. The opinion of General Webb is that the wine should be assessed.

Some weeks ago the Sonoma county assessor and assessors in other wine growing counties decided to await an opinion from the state's high legal authority as to whether in view of the enforcement of the national prohibition law, the wine that had not been disposed of prior to law enforcement could be assessed, since at that time no price prevailed upon which to base an assessment. At least three counties in this section of the state will assess the wine now in accordance with the opinion of General Webb, and County Assessor Smith will do so at once. A record has been kept of the wine that has been sold and shipped from this county for sacramental and medicinal or non-beverage purposes, and at present from 50 to 60 cents a gallon is being offered for wine and some growers have refused 75 cents a gallon, according to report.

When County Assessor Smith referred the matter to District Attorney Hoyle, the latter official took it up with Attorney General Webb. Here is General Webb's reply.

I am in receipt of your letter of June 2,in which you ask if stocks of intoxicating liquor in the State of California on the first Monday in March are taxable, and if so what would be the basis or method of taxation.

In answer to the first question, it would appear to me that the intoxicating liquor is property, and as such, taxable as provided in Section 1 of Article 13 of the Constitution, and Section 3607 of the Political Code. Without discussing the particular provisions of the Volstead Act, that act provides that intoxicating liquors may be manufactured, held owned, and sold for certain purposes and under certain restrictions as set forth in that act, and the assessor will assume that the property assessed by him is legally owned and held in the manner permitted by state and federal law.

The question of value should, I think, be considered along the same lines. The law permits the manufacture of intoxicating liquor for certain purposes and its value in the hands of the manufacturer should be arrived at by the assessor in the same manner as the manufactured product of any other manufacturer. And in like manner the value in the hands of a dealer, jobber, retailer or ultimate consumer.

In my opinion the fact that there are certain restrictions and limited uses provided by law does not affect the question of the value of this property. That is the "bootieg" or illicit value has no bearing on the question.

ARRESTED FOR THEFT OF A $100 BOND

John Hammond who had been employed at the De Luxe Barber Shop was arrested by Deputy Sheriff Joe Ryan this week and charged with grand larceny.

He is alleged to have stolen a $100 Liberty bond from his employer, Tony Franchesci. The bond was in the pocket of a coat which the boss had hanging up in a back room of the shop.

Upon missing the government security the De Luxe proprietor suspicioned Hammond and it is alleged that the officers finally located the bond in Hammond's home.

He was taken to the county jail at Santa Rosa.

The old Mission too they found full of interest, and have now visited every mission in the state.

Mr. and Mrs. Spillers have a comfortable auto camping outfit and prior to starting out to see their famous state, they resided at Kelseyville, Lake county.

THE UNIVERSAL CAR

Out of the more than 3,000,000 Ford cars now in use, about sixty percent have been sold to farmers. Probably no other one thing has brought to the farm so much of comfort and profit as has the Ford car. It has enlarged the social life, doubled the facilities for marketing, brought the town next door to the farm, multiplied for the farmer the pleasures of living. A family car without an equal in low cost of operation and maintenance. We solicit your order for one now because the demand is large and continually increasing.

BRUNS AGAIN AMENDS COMPLAINT IN LIBEL SUIT AGAINST BOHLIG

In accordance with a court order last week sustaining Michael Bohlig's contention that both libel and slander counts could not be included in the same suit, George Bruns of Sonoma, yesterday filed a second amended complaint here in his action seeking damages from Bohlig.

Bruns asks $10,000 alleged libel for a letter written by Bohlig and published in a Sonoma paper. The He declares the letter was written "with intent to injure, disgrace and defame plaintiff and expose him to hatred, contempt and obloquy, and to cause him to be shunned and avoided."

Bruns was alleged by Bohlig to have accused him of pro-Germanism, and in denying this charge Bohlig is declared to have spoken of an "unholy alliance" to bring shame on an innocent woman. It was understood that he referred to Brun's wife.

It is expected that Brun's suit on slander charges will now be filed separately. He is represented by Attorney Hilliard Comstock and W. F. Cowan.—Santa Rosa Republican.

Mrs. Lucy Skinner of Petaluma has been over on a visit to her mother, Mrs. McElroy. The children remained at home with their father.

VINEBURG NEWS

Mrs. Edward Bosquit and son Alfred of San Francisco arrived on Tuesday evening and are the guests of Mr. and Mrs. Fred Batto.

Mr. and Mrs. August Figone accompanied by Mr. John Batto enjoyed a motor trip to Napa and vicinity on Wednesday afternoon and were the guests of friends.

Martin and Bronnais are still busy preparing for the coming season and will see to it, that their drying plant is in proper shape.

We understand that the Sonoma Valley Apple Growers' Association will start to operate fruit packing plant at this point on Wednesday, July 6th. Louis Klapperich as manager.

Joseph Groskopf accompanied by his daughter Claire was the guest of his parents at Whispering Pines, the week end. Joseph, "our old friend Joe" is now a resident of Fruitvale.

Messrs August Figone and son, Ernest and Fred Batto and son, Buddie, returned from a 10 days outing in the Sierra Nevadas on Monday, reporting a good time and saying that there is some game and fish left there yet.

J. H. Coops and sons have purchased 86 acres af land of the Rhine Farm one of the oldest and most productive vineyards and orchards in this section.

Messrs R. H. Ring, and E. M. Cutter, two progressive orchardists of this section are now enjoying a vacation at Bodega Bay. As both gentlemen are expert fishermen it will not surprise us if there is a sharp decline in the price of fish, meal crab salad, and clam chowder in the near future.

Minnie Madden is in the metropolis looking out for that "wet plank in the Democrat platfrom." If it is not there don't blame Minnie.

NOTICE!

All persons having burial plots in Mountain Cemetery, not marked, are kindly requested to mark them with a post at each corner, with name cut in same. The post must be durable.
